TRANSMITTAL OF FORMAL DRAWINGS

Sir:

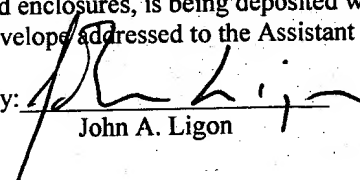

Transmitted herewith are 3 sheets of formal drawings (Figs. 1-3) for the above-captioned application. It is noted that these same formal drawing sheets were transmitted to the Office, with a certificate of mailing, on January 11, 2000. However, since the Notice of Allowability for this application indicates that new formal drawings are required, the drawings are resubmitted herewith. It is also noted that the original submission was at a date subsequent to the date of the Draftsperson's Patent Drawing Review (PTO 152), noting various informalities in the originally filed informal drawings, and the formal drawings are believed to include changes addressed to all such objections.

Respectfully submitted,
